The \_\_\_\_\_, under the direction of our pastor  
(Church name)

and our church’s authorized governing body, has agreed to enter into a relationship with the Salt Lake Baptist Association, the Utah-Idaho Southern Baptist Convention and the North American Mission Board, **to become a Kingdom Church Partner in the Kingdom Church Strategy.**

**Our pastor and church governing body** has read the qualifications of the Kingdom Church Strategy and **agrees to and affirms** that our church will endeavor to comply with the parameters and the Key Principles set forth.

We also agree to begin the process for **calling a staff person** to oversee the mission and outreach activities of our church. We realize this staff position can be voluntary, part-time or full time, but will be treated as other church staff positions and will attend all church staff meetings, but not less than at least once a month.

Our church also agrees to **establish a separate mission fund** to handle any money designated for our church’s missions, outreach ministries, church planting and other mission projects. We also agree to **establish a Mission Development Council**, chaired by our mission staff person, who will oversee the various mission projects and mission fund our church.

We also agree to notify the Salt Lake Baptist Association when there are any changes to our pastor or mission staff.

This partnership is totally voluntary between all parties and can be ended at any time with proper notification to the other entities.
